Sir:

Applicant herewith submits form PTO-1449 which lists references cited in the specification of the above-referenced application and other references of which applicant is aware. A copy of each of the references is submitted herewith.

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the publications called to the Examiner's attention herein, applicant does not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicant requests that the Examiner independently determine those items which the Examiner would consider the most pertinent of all the references cited herein.

An Office Action on the merits has not been received to date. Therefore, no fee is due under 37 C.F.R. §1.97(c).

It is respectfully requested that the references be considered and made of record.

Respectfully submitted,

STEINBERG & RASKIN, P.C.
